SHIFTING FUNCTIONAL DESIGN TO A MORE STYLISH LEVEL

Times have changed. Consumers these days have a more critical eye and design plays a very important role in the products they choose. It's no longer enough for furniture and appliances to be purely functional. The products need to be equally as attractive, offering beautiful finishes that brighten up homes and create more lively, energetic office spaces.

MORE FREEDOM WITH METALLIC FINISHES

Our unique finishes allow you to create products that not only work well but also appeal to a consumer's personal sense of style. Which is why we've created Guard Edge with a wide range of colours and effects, giving you the creative freedom to design more exciting products. It ensures both functionality and good aesthetics to liven up any personal or business environment.

BRIGHTEN UP EVERYDAY PRODUCTS

Ideal for manufacturers looking to create beautiful, functional home furnishings, appliances and everyday equipment. Guard Edge has metallic effects in a wide range of colours, to enhance the aesthetic appeal of your products. The one coat solution is easy to apply and can be used with standard application equipment for a smooth finish.

FIND YOUR GUARD EDGE

Choose from seven intuitively designed powder coating solutions that best suit your needs:

GUARD EDGE B

Designed to add extra luster to your furniture, lighting or commercial shopfitting designs, where a specific metallic finish is a priority.

GUARD EDGE D

Gives you a wide range of colours and metallic finishes that adds extra luster to everything from fridges to health and fitness equipment and shopfitting projects.

GUARD EDGE W

Adds a beautiful metallic finish to washing machines, dishwashers and dryers, without compromising on humidity and detergent protection.

GUARD EDGE E

A range of bright metallic colours for outdoor furniture, fixtures and gym equipment that also provides protection against the weather.

GUARD EDGE BH

Provides a distinct metallic Hammertone finish for both indoor and outdoor furniture, when you're looking for a very specific metallic finish.

GUARD EDGE DH

Adds a metallic Hammertone finish and extra luster to a wide range of everyday products including furniture, fridges, fitness equipment and steel doors.

GUARD EDGE EH

A metallic Hammertone finish that protects a wide range of outdoor products like furniture, street lighting fences and doors against the weather.

A WIDE RANGE OF POSSIBILITIES

Guard Edge is suitable for indoor and outdoor furniture, small and medium sized appliances, lighting equipment, shop fittings and motorcycle components. The choice of colours and finishes are easy to apply, making it the perfect choice for optimal protection and brighter, more beautiful products.

IMPROVING THE WORLD WE SHARE

This product isn't just a step towards protecting your goods, it's a step towards creating a better environment. By choosing Guard Edge, you'll be joining our GreenSteps programme, on a journey to a greener, more responsible world.
