

Primax Diamond | AW Series

Make your machined wheel look good

Jotun Primax Diamond is tailor-made for machined wheels, offering superior corrosion and stone chip protection. It also has the perfect surface and consistent quality throughout.

Jotun Primax Diamond has been tested and approved to certain OEM specs, especially in enhanced corrosion protection - details are available upon request.

Jotun - A Reliable Partner

For many years, Jotun's Technical Service team offers support to insure coating quality, coating line efficiency and most importantly improve manufacturing productivity.
